## March 2021

Dear Member,

Our last meeting was the AGM on 22<sup>nd</sup> February 2020 after which Dr. Lesley Sutcliffe gave us an interesting account of the life of Dr. Jonathan Toogood the famous Bridgwater physician. Covid lockdown began on 16<sup>th</sup> March since when we have not been able to have any meetings.

Your committee had one meeting on 27<sup>th</sup> February 2020 and since then we have kept in touch online or by phone. We have made two resolutions to be confirmed at the next AGM.

1. That this year's AGM will be postponed until after Covid restrictions are lifted.
2. That subscriptions for existing members will not be collected for the year 2021 but will become due again in January for the year 2022.

We hope to start having meetings later this year once it is safe to do so. In the meantime members are asked to send in any short articles about any subject they have been studying during lockdown which may be of interest to our members. I hope to produce one on John Angel's wonderful war memorial in King Square near where I live in Bridgwater.

Best Wishes,  
David Baker
